

# Health in Partnership Seminar 2009

**Theme: transforming relationships**

**NHS Ayrshire & Arran is pleased to announce the second annual seminar promoting Patient Focus and Public Involvement (PFPI), which will focus on the development of relationships that promote health and wellbeing.**

The purpose of this seminar is to inspire partnership working with patients, carers and members of the public with the aim of improving the healthcare experience. It is also an opportunity to share good practice in relation to patient focused care and patient and public involvement.

The event is open to all members of the public, voluntary and community organisations, healthcare and local authority workers throughout Ayrshire.

Patient Focus and Public Involvement

**“Partnership between patients and practitioners is part of living in a caring Ayrshire”**

(Delegate, 2008)
